FES Spring Clubs 2022-2023

Falcon Pride-Greetings, all! FES is excited to share that we will be hosting Falcon Pride , an LGBTQIA+ Affinity group open to all students to attend. During our group meetings, students will have the opportunity to meet with other LGBTQIA+ students and allies in this supportive group that provides students with the opportunity to: learn more about the LGBTQIA+ community, use art as a means of self-expression, discuss topics of student-directed interest, and be part of a community. Students in grade 3-5 are welcome to join. Our school Rainbow Representatives, Ms. Rebecca Otte (rebecca_otte@hcpss.org) and Ms. Jillian O'Brien (jillian_o'briend@hcpss.org). It will be hosted on Thursdays bi-weekly from 8:40am-9:10am beginning on March 9. Come join us!

SCH Club-This club is for fifth grade students who are participating in the Simulated Congressional Hearings. During this time together, we will work on our speeches that need to be prepared for the event.

Cursive Club-This club is for third grade students who are interested in learning how to write in cursive.

Games, Puzzles and Brain Teasers-This GT seminar is for fifth graders who are interested in playing games and learning how to play new games, solve puzzles and brain teasers.
